INSTRUCTION FOR CONTRIBUTORS
- CALL FOR PAPERS -

1. Scope: Journal of the Society of Materials Science, Japan is published for the members of the Society of Materials Science, Japan (SMS). The journal accepts high level original papers written in Japanese or in English in any field of materials science. It has been published monthly since 1952. Over 4,000 copies are distributed not only to the members but also to institutions worldwide.

2. Eligibility of contributing authors: The journal is primarily a means of publication for the members of SMS, which implies that one of the authors, at least, should be a member, honorary member or student member of SMS.

3. Submission of manuscripts: The content of the submitted paper should be unpublished previously in any language. Authors who wish to publish their papers in the journal should send three copies of the manuscript produced in the prescribed format to:
   The Editorial Office
   The Society of Materials Science, Japan
   1-101 Yoshida Izumidono-cho, Sakyo-ku, Kyoto 606-8301, Japan
   Phone: +81-(0)75-761-5321  Fax: +81-(0)75-761-5325
   E-mail: henshuu@jsms.jp
   The following items 1) to 4) must be clearly specified in another cover sheet attached to the manuscript:
   1) Title, 2) The names of the authors, 3) Address with telephone/facsimile numbers and e-mail address, 4) Category of the content (mechanics, chemistry, metal, polymer, geomaterials and so on).

4. Outline of manuscript format

4.1 General comments: The author must prepare the manuscript in A4 size (297 x 210mm) sheets based on our prescribed format. Every manuscript submitted will be accepted for publication after peer review. Authors are asked to request more detailed instruction, "Instructions for the Preparation and Format of a Manuscript (Sample Format)", from the editorial office or from the website URL: http://www.jsms.jp/kaishi/k_form.htm
   The paper is limited to six pages in principle. In exceptional circumstances, two additional pages may be allowed with an additional charge.

4.2 Title, authors and abstract: The title, subtitle (if necessary), name(s) of author(s), affiliation(s) and mailing address(es) should be stated in this order, followed by an abstract of 200-300 words and 5-10 key words.

4.3 Units: SI unit systems are to be used in all texts, tables and figures.

4.4 Symbols and formulae: Italics should be used for all variables in the main body of the text and equations, except for “sin”, “cos”, “grad”, “tr” and so on.

4.5 Tables and figures: All tables and figures including photographs should be pasted in the text, preferably on the same page as they are cited. They should include captions of approximately 20 words. Photographs must be originals.

4.6 References: Publications cited in the text should be referenced at the end of the text. All references should appear in order with the numbers in parentheses, such as 1) or 2-4) in superscript. References are to be in the following format: family name(s) of author(s) preceded by the initials of first and/or middle names, title of the referenced paper in double-quotation marks, journal title in full style, number of volume and number (if exist) in Vol. and No., starting and end pages number in pp, and year of publication in parentheses. Books should be referred by the name(s) of author(s), book title, publisher, its location, referred page number in pp, and publication year in parentheses. Proceedings should include the editor name(s) in parentheses between proceedings' title and the publisher, and follow the style for journals.

5. Copyright: Copyright of accepted paper is reserved by the Society of Materials Science, Japan.

6. Page charge: The authors are charged ¥66,000 for published paper, not exceeding 6 pages. The first additional page costs ¥20,000 and the second ¥30,000. Inclusion of color photographs requires an additional charge.

7. Reprints: Fifty reprints of each article will be supplied to the principal author. Additional reprints may be ordered at an extra charge.
